The Honolulu Council Navy League is one of the largest in the nation. Our mission is educating Americans and their elected officials on the importance of the maritime services here in Honolulu for national defense and for our economic well being; support of health, welfare and morale programs for the Sea Service members and their families; and to assist the Navy, Marine Corps, Coast Guard and Merchant services in achieving their readiness goals.

As a member of the *civilian arm* of the sea services – located in the world's most unique and strategic maritime environment – you belong to an active and involved group participating in issues at the forefront of national maritime importance.

The Bridge is an exclusive Navy League Member Only roundtable of business professionals with key interests in naval matters. Many have no prior military experience yet their patriotic support of Hawaii-based commands, units and personnel are conducted through programs established by and managed through The Bridge, including youth programs (Sea Cadets, High School JROTC) and education programs for public officials and private citizens.

We understand the importance of cultivating and maintaining our friendships with military partners and counterparts, and we also understand how to have fun while doing that.

This special Membership Invitation is sent to you at the request of an esteemed Bridge Member who has recommended you for Membership.

The Bridge is an exclusive group of Honolulu Council members who are among our community leaders and local business professionals whose influence and annual support significantly enhance the endeavors of the Honolulu Council Navy League.

In recognition of this high level of support, special VIP programs, privileges and activities are scheduled throughout the year which provide unique opportunities for Bridge Members to interact with Navy, Marine Corps, Coast Guard and Maritime business communities.

Bridge members go places, meet people and see things most can not imagine. Our calendar offers a wide array of venues sure to pique your interest. From command staff insight briefings and VIP receptions to touring our historic landmarks and commercial infrastructure, **The Bridge** is your gangplank to new forums and experiences. We encourage applicants to consider joining with their spouse or close companion.
