

# NAVY LEAGUE of the United States

December 18, 2017

The Honolulu Navy League sends best wishes for a Happy Holiday season to all of our members.

Through your membership we support those who serve and their families more than ever before; and continue to grow tomorrow's leaders through youth leadership programs, which we have grown the last year.

We are asking for your input relative to our Board of Director elections, and have enclosed information on the proposed slate of nominees.

Please include comments on how you believe the Navy League has been doing. We are always looking to our members for feedback on how we can improve the Honolulu Council of the Navy League of the United States. We look forward to seeing you and your guests at the annual meeting on January 25<sup>th</sup>, where we will share more about the programs and initiatives.

Again, thank you for your membership and support.
